By hosting a drive, you are directly making an impact on the women and girls that we serve. Thank you for helping us to continue our mission!

Please email hello@nowomannogirl.com for any additional questions and/or concerns.

How to Host A Drive!

1. Identify a recycled box or bin.

Simply print this document and cut out The No Woman, No Girl Initiative logo to place on your box!

2. Tell your employees, neighbors, friends or family when you are hosting a drive.

Be sure to share our everyday essentials list so that people will know what to donate to your drive.

3. Begin hosting your drive!

Periodically glance at your box or bin to make sure that donated items are from our everyday essentials list.

4. Place index cards beside, near your box or bin and encourage others to complete an Envelope of Hope.

Envelopes of Hope are designed for our supporters and members of the community to write anonymous messages to provide hope to women and girls when receiving a referral. One Envelope of Hope is randomly placed in each referral.

5. End your drive knowing you helped make a difference!

When your drive is completed, please contact us and a member of our team will coordinate dropping off your items.

Our Vision

No woman and no girl experiencing crisis or transition will go without access to everyday essentials in Wake County, NC.
